

FADE IN:

INT. OTIS'S BEDROOM - DAY

OTIS lays on his bed reading a book. We hear the muffled chorus of EYE OF THE TIGER blasting from another nearby room.

ERIC barges in uninvited but Otis doesn't look up. He is used to this. Eric shuts the door quickly.

ERIC

Is someone working out in there?

OTIS

No. I think my mom's shagging someone.

Otis still doesn't look up from his book.

OTIS

First of all, what the fuck? Second of all, how do you even know that? And third of all, what the fuck?

Otis puts down his book and sits up on his bed. An incredibly serious and important conversation is about to ensue.

OTIS

Listening to the right kind of music during intercourse could relax certain sexual inhibitions which subsequently leads to heightened pleasure and arousal.

ERIC

Right...and Eye of the Tiger is the "right" kind of music for your mum?

OTIS

She's an old woman. You'd be surprised at how much energy is needed for the physical activity required at that age. You know, for sex.

ERIC

I don't think I need to hear any more details.

OTIS

Plus, music can be a major confidence builder.

ERIC  
And you know this from previous  
experience...?

OTIS  
Yes. But...not with someone else...

Otis trails off in hesitancy. Another beat. Then Eric realizes.

ERIC  
Oh, God Otis. You're telling me you're  
wanking yourself off to some All Star  
by Smash Mouth every night?

OTIS  
What? No --

ERIC  
Oh, thank God --

OTIS  
No. I mean -- yes. I do. But no to  
Smash Mouth. That song's not even that  
good.

ERIC  
Otis!

OTIS  
What?! I'm right!

Right at this moment, the music STOPS. It becomes quiet. Eric and Otis stare at each other with intensity as they wait to hear another sound. We hear a DOOR OPEN, a brief pause of silence, then a DOOR SHUT.

ERIC  
(whispering)  
Who is your mom with?

Otis shrugs. After a moment, he and Eric silently rush to the door. They crack it open a few inches and peak through the small gap and see: A TALL AND MUSCULAR SIX-FOOT HANDSOME MAN. Their GYM TEACHER.

ERIC  
That totally explains Eye of the  
Tiger!

FADE OUT.
