COLD OPEN

FADE IN:

INT. KYLE AND NIKHIL'S DORM - DAY

KYLE (18, blonde, moderately built but in a douchebag kind of way) sits at his desk playing a Call of Duty-esque video game. He's wearing one of those godawful gaming headsets. Empty snack wrappers, juice boxes, and cups surround his desk. He's in nothing but a WHITE TANK TOP and BOXERS.

KYLE

You fucking dumbass! I told you to blast the enemy *before* making your goddamn jump shot!

There's a calm knock at the door.

KYLE (CONT'D)

(towards the door)

WHAT?!

His roommate/friend, NIKHIL (19, South Asian, built normally, but small compared to Kyle) walks in happily with a PIECE OF PAPER in his hand.

NIKHIL

Kyle, Kyle, Kyle! Guess what today is?

KYLE

(still playing his video game)

Nikhil, I don't have time right now for a goddamn Rubik's Cube Fun Fact of the Week.

NIKHIL

You silly goose. That was Fall-Semester Nikhil when you first met me. I'm over that now. It's the spring student involvement fair!

He holds up a brightly colored flyer that says: FEELING LIKE A LOSER? GET INVOLVED TODAY.

Kyle immediately becomes wide-eyed. He abruptly pushes his laptop and controller off of his desk and tosses his headphones out the window. He jumps up from his chair and snatches the flyer out of Nikhil's hand.

KYLE

What? Really? How? When? Where? Is there a support group for how to stop disappointing your absent father?

NIKHIL

Not so sure...but I think there is a "Men in Finance" club that might be pretty close to what you're looking for.

Their friend LILY (18, Chinese, slightly alternative) runs through the door and holds up the same flyer in her hand.

LILY

Are you guys going to the involvement fair later?

KYLE

Knock much?

LILY

Your door was open.

STACEY (18, blonde, thin, basic-looking) enters the room calmly.

STACEY

Hey.

NIKHIL

Hi Stacey!

KYLE

Goddammit.

KYLE

Just because we went to the same high school, Stacey, doesn't mean you can walk in here whenever you want.

STACEY

You're right. I can walk in here whenever I want because we're friends now. Currently. In the present. In college.

LILY

I've been looking forward to the involvement fair for weeks since winter break ended.

STACEY

Same. I need to find a girlboss squad

that I can girlboss with throughout
the rest of college. You know what I
mean?

NIKHIL
(disappointingly)
Are we not girlboss enough?

Lily looks at Kyle's laptop and gaming controller haphazardly
thrown on the floor.

LILY
What'd you do to your laptop?

STACEY
(matter of factly)
Eh, my dad can buy a new one for you.

Beat.

KYLE
Can you tell him I also need new
headphones too?

END OF COLD OPEN

ACT ONE

EXT. A CAMPUS PARKING LOT - DAY

Nikhil, Kyle, Lily, and Stacey walk through the involvement fair. The parking lot is full of weird and quirky student org tables: COMPETITIVE MOLE WHACKING CLUB. ASSOCIATION OF PIZZA CRUST EATERS.

They walk past a booth with a giant poster that reads: SAY NO TO SINS AND SATAN. JOIN CHRISTIAN CLUB TODAY. A tall, handsome white guy wearing a shirt that says JESUS SAVED MY LIFE AND COULD SAVE YOUR'S TOO takes the opportunity to talk to them as they pass by:

KYLE

Oh no. Brace yourselves. It's a walking Jehovah's Witness.

NIKHIL

You do know that Christians and Jehovah's Witnesses are different things, right?

KYLE

Yeah...but are they *really*?

CHRISTIAN CLUB RECRUITER

Are you folks looking for salvation?

KYLE

From this conversation? Yes.

Kyle speed walks past him and the rest of his friends catch up. Lily shouts back:

LILY

We apologize for him! He just has a lot of deeply internalized religious trauma that he's taking out on Jehovah's Witnesses!

NIKHIL

I need something that screams, "I am cool now and totally not a Rubik's cube nerd anymore."

FLASHBACK TO:

INT. MIDDLE SCHOOL HALLWAY - DAY

YOUNG NIKHIL (12) innocently fumbles with a Rubik's cube by his locker. A group of jocks run by and knock it out of his hand and push him towards the lockers with a loud BANG.

YOUNG NIKHIL

Ow!

JOCK DOUCHE #1

Fuckin' nerd!

A roar of laughter from a whole group of jock douches.

BACK TO:

EXT. A CAMPUS PARKING LOT - PRESENT DAY

Nikhil has a pensive look on his face, staring into the distance.

NIKHIL

I need to reinvent myself.

KYLE

Speak for yourself. I haven't even been invented yet.

FLASHBACK TO:

INT. LIVING ROOM - DAY

The walls are decked out in old fraternity paraphernalia: banners, pictures, composites, hats, T-shirts, etc. A large poster that reads PROUD DELTA TAU DELTA AIRLINES ALUM hangs on the wall. YOUNG KYLE (8) sits on the couch paying video games and eating a PB&J sandwich. His DAD, wearing a full BUSINESS SUIT, enters giving a tour to a BUSINESS PARTNER. He makes no effort to speak inconspicuously.

KYLE'S DAD

And you what see here is my worthless piece of shit son who has yet to prove himself to be a true man of the Albrecht family. I mean, look at his noodle arms. Son of a bitch is 8 years old and can't even lift 300 pounds. I swear, my now-dead wife definitely accidentally swapped him at the hospital when he was born.

CUT BACK TO:

EXT. CAMPUS PARKING LOT - PRESENT DAY

Kyle has a pensive look on his face while staring into the distance.

KYLE

Dad...

Right as he says this, they pass a GIANT YACHT that takes up a fourth of the parking lot, with a banner on one side that stretches the entire length of the yacht, reading: JOIN GREEK LIFE TODAY. Some people are not wearing clothes. Others are straight up taking sips from a keg stand. PARTY ROCK ANTHEM blares through a giant speaker. It's a fucking party.

NIKHIL

What the heck is this?

We zoom in on Lily's face as dreamy music plays and she becomes wide-eyed:

LILY

Oh my god. This is just what I need.

FLASHBACK TO:

INT. LILY'S BEDROOM - DAY

YOUNG LILY (15) angrily stands in front of her mirror while her mom beams at her from behind. She's wearing a pink qipao with her hair bound up with chopsticks.

YOUNG LILY

Mom, I'm not wearing this to school.
We live in America.

MRS. LI

Exactly! Your father and I come to this country because it is freedom. You can wear qipao to school without being persecuted!

YOUNG LILY

People already think Asians are constantly foreigners. You guys need to learn to start assimilating.

MRS. LI

Who says Asians are always foreigners?

You were born here!

YOUNG LILY
Have you seen America, Mom?

CUT BACK TO:

EXT. A CAMPUS PARKING LOT - PRESENT DAY

Lily looks sad as she stares down at the ground.

LILY
I need to do something that I would
never in a million years get to do if
I were still living at home.

STACEY
Oooh. If you join a sorority, I'll
join one with you.

LILY
Why would you need to join one?

STACEY
Hello. Look at me.

She gestures towards herself.

FLASHBACK TO:

INT. STACEY'S BEDROOM - DAY

YOUNG STACEY (15) does her makeup at a giant vanity. Her DAD
(mid-50s) stands next to her in admiration.

STACEY'S DAD
You are, as they say little pumpkin,
the poster child of a sorority girl.
You're going to grow up to do big
things in a sorority one day when
you're in college.

YOUNG STACEY
Thanks daddy!

STACEY'S DAD
Just like your mother. She was
president of the Alpha Beta Gamma
Delta Epsilon Omicron Covid Variant
sorority by the time she was a
sophomore. All she had to do was stand

in front of the room and look pretty
and blonde and skinny and people ate
that shit up!

STACEY'S MOM (mid-30s) walks in. She is a spitting image of
Stacey but slightly older. Beautiful blonde hair falls to her
waist-side as she wears a tight-fitting lavender sundress.

STACEY'S MOM

That's true sweetie. I really had it
going on. And now you can use my genes
to achieve just the same thing I was
destined to become! The Sorority Girl
to Trophy Wife pipeline.

CUT BACK TO:

EXT. A CAMPUS PARKING LOT - PRESENT DAY

STACEY

It is my destiny simply because of who
I was born as. White, blonde, thin,
and rich.

NIKHIL

Look, they have informational
pamphlets!

They each grab a pamphlet from a nearby tabling booth. It
says: LIKE ALCOHOL AND PARTYING AND DRUGS? CHECK OUT GREEK
LIFE.

NIKHIL

They have...a lot of different frat
categories...

KYLE

(reading off pamphlet)

"Only if your parents own a yacht."
"Only if you have a building named
after your great grandfather." "Only
if you're a finance major."

LILY

(also reading off pamphlet)

"Only if you wear Birkenstocks." "Only
if you're under 130 pounds and white."
"Only if you let your white boyfriend
get away with saying offensive slurs."

They're suddenly greeted by a TALL WHITE FRAT GUY wearing a

pastel button down, khaki pants, and boat shoes.

WHITE FRAT GUY

Whaat's upppp!!! Are you little freshmen looking to join a cult that's not actually a cult but kind of might as well be a cult?

We hear a mixture of "Uh huh," "Sure," "Yes!" and "Ok" all at the same time.

WHITE FRAT GUY

Fan-tastic! Check the pamphlet for the times of each org's first ever info sessions.

Kyle glances down and gasps.

KYLE

Dude! They got a fraternity specifically for cross-fit and lifting bros!

STACEY

Isn't that like, all fraternities?

NIKHIL

I am neither of those things.

KYLE

Well, buddy. Are you gonna sit back and feel sorry for yourself? Or are you gonna take initiative to show those fuckers from middle and high school who's boss?

NIKHIL

Holy shit. You're right.

Nikhil and Kyle walk off in the direction of the yacht. Lily and Stacey stay behind, looking at the pamphlets.

LILY

What sorority screams "I am American" the most?

STACEY

I feel like all of them do.

LILY

Good point.

STACEY

What about this one?
 (reads off pamphlet)
 "Cosine Theta: The most American
 sorority there possibly is."

LILY

Sounds like it could be super
 offensive. I'm in!

INT. FOOTBALL STADIUM - NIGHT

The seats are filled with young college boys. At the front of the stadium are the fraternity brothers. It's the whitest thing you've ever seen. At the entrance, a TALL SENIOR, holds a keg stand as younger-looking students try to take a sip. A young FRESHMAN spits a mouth full of beer in the senior's face.

SPITTING FRESHMAN

I am so sorry!

TALL SENIOR

Get the fuck out. Better luck next
 semester, freshie.

The freshman cries as he walks away from the stadium entrance. Nikhil and Kyle are in line, watching each potential new member attempt to drink from the keg stand.

NIKHIL

I have never taken a single sip of
 alcohol before.

KYLE

Watch and learn from the pro.

NIKHIL

You've done a keg stand before?

KYLE

Well. No. But I come a long line of
 honorable fraternity brothers.
 Drinking is in my Albrecht blood.

It's Kyle's turn. He starts confidently but starts coughing and barely gets the beer down. He's ready to throw up.

SENIOR

Alright. Come on in. But you're on
 thin ice, blondie.

It's Nikhil's turn. He drinks from the keg stand like there's no tomorrow. It's very hard to believe he's never done this before.

SENIOR

My man! Who knew a little brown boy would have that in him!

He pats Nikhil's back a little too hard. Nikhil whimpers but tries to hold it together.

KYLE

How did you do that?

Nikhil shrugs.

NIKHIL

Physics.

They take a seat. There's a group of frat guy doing push-ups on the football field nearby. One of them, TOM (22) stops and stands in the front.

TOM

Welcome, newbies! I'm Tom. You're here because you're interested in becoming brothers of the Triangle Square Octagon fraternity. We don't fuck around here. We do cross-fit and lifting twenty-four-fucking-seven. Not literally. But pretty close. Have homework to do? No you don't. You're lifting. Need to head to class? Bring your cross-fit equipment with you.

KYLE

(whispering)

My dad is gonna love this.

TOM

SO. For those that want to be invited back for consideration for membership into this brotherhood, the next time we meet, each and every one of you has to strip down naked as we current brothers measure your penis sizes. Flaccid of course! So make sure you're not bricked up. As you know, it would be quite embarrassing for a fraternity to have members with penises smaller than 4 inches.

Another frat brother DOM (22) standing beside him interjects.

DOM

And I know what you might be wondering? Isn't this kinda gay? Yes! It absolutely does have homoerotic undertones just like all fraternity culture does! But remember. We bury all of that underneath our trademark cis-straight-man toxic masculinity! And don't confront any of that until therapy years later.

TOM

That is, if any man ever *does* go to therapy.

The crowd chuckles in agreement. We hear a few "Woos!"

KYLE

Four inches flaccid? SHIT.

NIKHIL

Nice, I made it!

INT. COLLEGE AUDITORIUM - DAY

Sorority info session. The second whitest thing you've ever seen (right after the frat info session). Every girl looks like some variation of each other. Sorority sisters wear crop tops but the shirts only go right below their breasts, along with really high heels. They are so comically unaware of how ridiculous they look. Lily and Stacey walk in.

LILY

Are you sure we're in the right place?

STACEY

Yes. All sorority info sessions look like this.

They overhear a conversation between a sorority sister and a new freshman.

SORORITY SISTER

Oh my god. I freakin' love the way you contoured your nose to make it look slightly bigger. Really bold move!

FRESHMAN GIRL

I'm not wearing any make up. That's

just my nose.

SORORITY SISTER

Oh my god. You're so funny!

LILY

Everyone here looks the exact same.

STACEY

Yeah, that's kind of the point.

LILY

My nose isn't as big as that other girl's, right?

Another sorority sister LACEY (22) approaches Lily.

LACEY

Hi, I'm Lacey. Wow! Such interesting eyes you have! So oriental. You know, Gigi and Bella Hadid started that trend. Called the "fox eye" I believe? I think you did it the best.

LILY

These are...just my eyes. My Asian eyes.

LACEY

Amazing! Wish I had your dedication to change my race as well so I could look like the Hadid sisters! That definitely puts you a leg up above some other girls. BYEEEE!

A sorority sisters TRACEY (21) gets up on the stage.

TRACEY

Welcome, potential Cosine Theta sisters! We are so excited to see you all here today! Cosine Theta offers a wide variety of perks to its members, like long-lasting Instagram exposure so you can get a ton of new followers! And special discount offers at nearby plastic surgery centers.

Another sorority sister CASEY joins Tracey on the stage.

CASEY

Now, because we are one of the most

exclusive sororities and we have a prestigious image to uphold, if you don't have 7,000 Instagram followers by our next rush event at the end of this week, you can kiss the possibility of a membership bid goodbye. So get posting girlies!

The sorority girls scream with enthusiasm.

LILY

What?!

TRACEY

I highly recommend the VSCO filter "C8." Every sorority girl uses that one on their Instagram pics!

Lily and Stacey pull out their phones to look at their Instagram profile. Lily's says "459 followers" and Stacey's says "1,278 followers."

LILY

Oh fuck.

STACEY

Oh fuck.

END OF ACT ONE

ACT TWO

INT. KYLE AND NIKHIL'S DORM - DAY

Nikhil's sits at his desk staring intensely at his laptop screen. He's scrolling down a Google search page and the top search bar reads "How to fake a dick." Kyle lies on the ground beside him in a fetal position making weeping noises.

NIKHIL

According to user "EiffelTowerDick" on supersizeme.blogspot.com, there's a super secret pill you can take from the black market.

Kyle continues making weeping noises on the ground.

NIKHIL (CONT'D)

Oh. Never mind. It only works if you have a minimum of 4 inches, flaccid. How much was your's again?

KYLE

THREE AND A HALF!!! THREE AND A HALF INCHES! YOU MIGHT AS WELL CALL ME THE RAPPER "LIL DICKY" BECAUSE THAT'S WHO I AM.

NIKHIL

Yes but that's average.

KYLE

IS THAT ALL I AM? AVERAGE?

NIKHIL

Uhh...

INT. STACEY AND LILY'S DORM - DAY

Stacey and Lily sit on their beds staring intensely at their phones. We see a close-up of Stacey's screen. She's editing a photo on FaceTune that looks very clearly fake.

STACEY

I can't believe I never thought to make my ass look bigger before like the rest of sorority girls do. My dad always told me my natural blonde-white-girl beauty was enough, just like my mom who was president of the Alpha Beta Gamma Delta Epsilon Omicron

Covid Variant sorority. Maybe that's why I wasn't getting followers before.

LILY

I'm trying to make my eyes look bigger and less slanted and shrink my nose. Apparently the more Eurocentric your face looks, the better luck you'll have with the algorithm boosting your post to people.

Close up of Lily's phone screen. She looks like an alien in the photo.

STACEY

What should I caption my post? "Suns out, buns out?"

LILY

You know what's a really original and quirky caption? "Take me back" with the sun emoji.

STACEY

You're such a genius. Okay. I just posted it! And now, we wait for the likes and followers to pour in.

LILY

Should I wait to post my photo then?

STACEY

Oh yeah. I'd say at least thirty seconds. I'm blonde and white so the Instagram algorithm would just boost my picture to people's feeds over yours.

LILY

So true.

INT. KYLE AND NIKHIL'S DORM - DAY

Nikhil is hoisting up Kyle's pants from behind in a totally platonic way. We see a slight bulge at the front of his pants.

NIKHIL

You see? I told you it'd work! The pros of being friends with someone who's a sculpting major.

KYLE

I don't know man. Is the clay supposed to burn the rest of my shaft like this?

NIKHIL

Yeaahhh! Don't sweat it at all man! The clay's warning label only said don't *ingest* it.

KYLE

I don't know. I kind of feel a rash coming on.

NIKHIL

You only have to wear this for an hour or so this Friday. You'll make it buddy, I promise.

Nikhil gives a friendly smile. Kyle doesn't seem too convinced.

INT. LECTURE HALL - DAY

A ROTUND BEARDED MAN (mid 70s) stands in front of the chalkboard. There are complex mathematical equations covering the board. Students are furiously taking notes.

ROUND BEARDED PROFESSOR

And so now you get a 2...

He writes a 2 on the board beneath an equation.

ROUND BEARDED PROFESSOR (CONT'D)

And then you connect the top end of the 2 with the bottom end...

He draws a curve connecting the top of the 2 to the bottom of it.

ROUND BEARDED PROFESSOR (CONT'D)

And you get...a fish!

We hear quiet murmurs of surprise and awe from the students.

Stacey looks at her phone, not paying any attention to the lecture, checking the stats on on her latest Instagram post. The comments are all encouraging and positive, like "SLAYYYY," "Gorg <3," and "Drop the glute routine babe!"

STACEY

Ugh. My post barely broke 900 likes.
I've only gained like 4 followers.

LILY

Speak for yourself. I *lost* 4
followers.

A close up of Lily's screen reveals she only has 30 likes and one comment from user "LilysMothersAccount" saying "Did u do something different with your hair?"

STACEY

Did I not edit my ass big enough?

LILY

Do I not look white enough?

STACEY

How do you win on social media?!

LILY

I think we have to think outside the
box.

STACEY

Lily, you're a genius.

INT. STACEY AND LILY'S DORM - DAY

Stacey and Lily are dressed in short crop tops with booty shorts on. They're on Charli D'Amelio's TikTok Page.

LILY

Okay so I do the first half of the
Renegade while you do the second half.

STACEY

Just to be clear, this is not what I
thought you meant when you said
"thinking outside the box."

LILY

What else are we supposed to do? This
is going to get us viral. And viral on
TikTok means more Instagram followers.

STACEY

See, what I had in mind was --

Just then, Stacey's phone dings.

STACEY

A \$400 Venmo from my dad with the caption, "Use this money well just like your mother used her family's inheritance for more MySpace friends when she rushed! XOXO."

LILY

So...we can buy our way into the sorority?

STACEY

Isn't that basically how it works already?

INT. KYLE AND NIKHIL'S DORM - MORNING

Nikhil is fast asleep in bed. We hear Kyle repeatedly calling his name, echoey and distant.

KYLE (O.S)

Nikhil! Nikhil!

Nikhil struggles to open his eyes.

KYLE (O.S CONT'D)

Wake the fuck up!

NIKHIL

What?

He looks beside his bed and Kyle is towering over him, butt naked. Nikhil looks down at Kyle's groin area.

KYLE

Tell your sculpting major friend I said "Thanks a lot!"

NIKHIL

Oh my god.

KYLE

Yeah, I gotta go buy rash ointment now or something.

NIKHIL

Okay. Don't panic. There are still other alternatives.

KYLE

Like what?!

Beat. Nikhil is pondering.

NIKHIL

You think we can call an Uber to go to
the mall?

END OF ACT TWO

ACT THREE

INT. MALL SEX TOY SHOP - DAY

Kyle and Nikhil stand awkwardly and fearfully in the dildo section in the back. The racks are stacked with different types from floor to ceiling.

KYLE

I thought you were taking me to get rash relief ointment.

NIKHIL

What's more important right now? Finding out how you get in the fraternity in just two days or your own penile concerns that can be dealt with at any time?

KYLE

Ok, but if I get an infection, that's on you.

NIKHIL

Yeah, whatever. What about this one?

He grabs the biggest one right in front of him. It barely matches Kyle's pale skin tone.

KYLE

This is perfect.

Just then, TWO YOUNG NERDY COLLEGE STUDENTS appear at the back of the store a few feet away from them. They look around the same age as Kyle and Nikhil (18-19). In their hands they're also holding a strap-on dildo. Kyle and Nikhil eavesdrop on their conversation.

NERDY COLLEGE STUDENT #1

I think we copped the biggest one.

NERDY COLLEGE STUDENT #2

There's no way I'd be eliminated from Delta Tau Delta Airlines this Friday now. Take that, dad.

Kyle and Nikhil glance each other. Then at their own dildo. Then at the nerdy college students. Kyle pulls Nikhil aside and whispers:

KYLE

Dude. They got a bigger dick than me.
I cannot let them have a bigger dick
than me!

NIKHIL

(intensely)

Do not worry, man. I have devised an
elaborate heist plan.

MATCH CUT TO:

Nikhil walks up nonchalantly to the two nerdy college boys. Using two hands, he punches both of them simultaneously in the face and one of them drops the dildo. They start crying uncontrollably. Nikhil quickly picks the dildo up from the ground and SPRINTS away. Kyle pauses in shock at first then immediately follows him.

They run towards the CASHIER (long-haired, late-twenties) who's reading a comic book. With a dildo in one hand, Nikhil uses his free one to place a \$20 bill on the cashier's counter on the way out.

NIKHIL

Keep the change!

They run out of the sex toy shop. The cashier doesn't look up from the comic he's reading.

INT. STACEY AND LILY'S DORM - DAY

Lily hovers over Stacey at her desk while she's on her laptop. They're on the website "REALInstagramFollowers.Net" with the headline "How can we confirm that these are real? Just trust us."

STACEY

Alright. \$200 for 7,000 followers. So
7,000 for you and 7,000 for me.

LILY

Who knew social clout would be so
expensive?

STACEY

Us rich people do. Now, I'm inputting
my credit card info and our login
information. And...done.

Both their phones ding. Their screen says "You just gained

4,000 new followers!"

LILY

Oh my gosh. My follower count is
7,459!

STACEY

Life is so easy when you have money.

INT. FOOTBALL LOCKER ROOM - NIGHT

THREE BUILT FRAT BOYS (21-22) stand on a bench and sternly oversee a group of naked underclassmen standing below them. TWO OTHER BUILT FRAT BOYS are making their way around each underclassman with a measuring tape. They frequently tap on someone's shoulder after measuring, prompting the underclassman to run out in tears.

STANDING FRAT BOY

This process was not made for the
weak, A.K.A boys who cry. Seriously.
Only girls cry. Don't do any of that
in here.

Kyle stands nervously besides Nikhil as a frat boy approaches them. One of them makes their way to Kyle. He stands intensely without moving a muscle and closes his eyes and winces with dread as the frat boy bends down a little.

MEASURING FRAT BOY #1

Hm...

The frat boy straightens up with zero comment and walks past him to Nikhil. Kyle lets out a sigh of relief.

MEASURING FRAT BOY #1

A lot of you should see a
dermatologist or something. So many of
your dicks are like 10 shades darker
or lighter than your actual skin
color.

Kyle and Nikhil glance at each other in concern.

MEASURING FRAT BOY #2

Yeah. And not to mention the loose
strap of skin that wraps around the
waist. Seriously. Seek medical help.

These frat boys are not the brightest.

INT. AUDITORIUM ENTRANCE - NIGHT

A sorority sister wearing cow ears and a cow print crop top and shorts stands at the door of the auditorium. Underclassmen wearing various animal costumes are in a line showing their phones to her before being permitted or denied entrance.

Lily wears a giraffe onesie and Stacey has a horse head on as they stand in the middle of the line.

LILY

I cannot believe we pulled this off. I thought I was this close to needing to join some Asian cultural club or something. Thank God!

STACEY

Eh. I always knew I'd end up fitting in anywhere. That's just how skinny blonde white girls live life though.

COW SORORITY GIRL

Next!

Lily and Stacey show their phone screens to the sorority sister.

COW SORORITY GIRL (CONT'D)

Wow. 7,469 and 8,278 followers. Impressive girls. Come on in!

They walk into the auditorium with a bunch of animal-dressed girls and take a seat. Stacey's phone dings. We see a close up of her screen.

STACEY

Huh. I just got an email from my bank. "WARNING: Fraudulent purchase of \$3 million worth of Nintendo Switches detected in Bern, Switzerland."

Lily's phone dings.

LILY

Uhh...someone just posted a screenshot of a \$100,000 cryptocurrency balance on my Instagram with the caption, "SIGN UP NOW. LINK IN BIO."

STACEY

Ah, so this is the true cost of social media and Greek life clout. Getting hacked.

LILY

What are we gonna do?

STACEY

Nothing.

LILY

What?

STACEY

Remember that time Kim Kardashian posted a picture of an un-flushed toilet? Yeah. She was hacked. It's quite common for social media influencers to get hacked because they all buy their likes and followers like us! But Kim turned out fine.

LILY

That's debatable.

STACEY

It's just the reality we have to live with if we wanna be popular, and if we want to be in Cosine Theta.

LILY

What are you gonna do about the fraudulent purchases?

STACEY

Easy. My dad is best friends with every major banking CEO so I can just tell my dad to easily cancel my credit card and get a new one every time it happens.

INT. KYLE AND NIKHIL'S DORM - NIGHT

Nikhil reads a book titled "Greek Life for Dummies" on his bed. Kyle is on FACETIME with his DAD (50s, gray hair, slight beard). His dad does not look enthusiastic.

KYLE

Hi dad! I made it through the first round of Delta Tau Delta Airlines

today. Aren't you proud of me? I told you I could do it! In your face.

KYLE'S DAD

I told you not to call me until you've officially made it. Stop wasting my time more than you already had for the first 18 years of your life.

Kyle's dad hangs up. Just then, Stacey and Lily walk in.

STACEY

You are looking at the new potential new members of Cosine Theta!

KYLE

Us too! Well, for Delta Tau Delta Airlines. I have a big penis!

Beat.

Okay.	STACEY	Nice.	LILY
-------	--------	-------	------

LILY

And Stacey got hacked.

KYLE

Oh yeah. A junior from my marketing class who's in a sorority told me that it happens to her all the time. Anything for the clout, I guess.

NIKHIL

I'm reading up on how to act like a frat boy to increase our chances of officially getting in. There's a section on sorority sisters, too.

Lily and Stacey walk over and lean over Nikhil's shoulder to get a glance of the book.

LILY

(reading from book)

"Add the word 'like' at least three times in every sentence. Even if it's not necessary." Well. Anything to like, make me like, more American.

KYLE

Wow. Look at how much we've grown

since first semester.
 (points at Nikhil)
Rubik's cube loser.
 (points at himself)
Disappointment to father, more so than
now.
 (points at Lily)
Asian girl.

He points to Stacey, then pauses with no answer.
