INT. BOJACK'S LIVING ROOM - DAY

BOJACK and PRINCESS CAROLYN sit on his couch. He's holding a SMALL ZIPLOCK BAG filled with WHITE POWDER in his lap.

BOJACK  
PC, you have to help me.

She looks down at the white powder bag.

PRINCESS CAROLYN  
With snorting cocaine?

BOJACK  
What? No. It's baby powder from Sarah Lynn. She thought it'd be a funny way to tell me she's pregnant. Also yes, she did mix some cocaine in it.

PRINCESS CAROLYN  
Jesus BoJack...do you know if she'd keep it?

BOJACK  
What the world doesn't need is more Horseman DNA among this already screwed gene pool, so she better not.

PRINCESS CAROLYN  
That's not really your choice to make-

BOJACK  
I know. I'm just hoping-

MR. PEANUTBUTTER (O.S)  
What is this a crossover episode?!

MR. PEANUTBUTTER enters and stands beside the couch. He glances at the bag in BoJack's hands.

MR. PEANUTBUTTER (CONT'D)  
Oooo. Are we doing cocaine?

BOJACK  
How did you get into my house?

MR. PEANUTBUTTER  
Todd let me in! We have a meeting for our up and coming business!

TODD appears next to Mr. Peanutbutter.

PRINCESS CAROLYN  
...Which is...?

TODD  
We don't know yet! That's what the meeting is for!

BOJACK  
Will you two idiots get the hell out of here? We're in the middle of figuring out how to exterminate my family line.

MR. PEANUTBUTTER  
Oh...did you insert the P in the V and forget to use a C and then made a B?

BOJACK  
You are not supposed to be here right now.

TODD  
Hooray! BoJack's gonna be a dad!

BOJACK  
Shut up Todd. We don't even know if she's gonna keep it.

MR. PEANUTBUTTER  
Oh no...you didn't hear? Congress just made abortion illegal in all 50 states because, quote: "We cannot give women more decision-making powers than the so few they already have."

BOJACK  
Wait, what--

PRINCESS CAROLYN is looking at her phone.

PRINCESS CAROLYN  
Oh my god, it's true.

We see a CLOSE-UP of her PHONE SCREEN. It's a HEADLINE that reads: MEN OF POLITICS SAY "WE CANNOT GIVE WOMEN MORE DECISION-MAKING POWERS THAN THE SO FEW THEY ALREADY HAVE."

TODD  
If women can't get abortions, maybe we

should allow men to do it because in this society, everything women can't do, men can!

MR. PEANUTBUTTER  
That. Is. An. Excellent idea!

BOJACK  
You idiots. Do you really think men can get pregnant?!

MR. PEANUTBUTTER  
Wow BoJack. How can you be okay with women being able to do something while men can't?

TODD  
Yeah. If Diane were here, she'd say that sounds a little sexist of you.

BOJACK  
You just said men should do things women couldn't--

MR. PEANUTBUTTER  
Wait a second...we can fix this...!

TODD  
Are you thinking what I'm thinking?

TODD A pill that grows babies inside of men's stomachs!	MR. PEANUTBUTTER A pill that grows babies inside of men's stomachs!
--	--

MR. PEANUTBUTTER  
Diane is going to be so proud of my efforts in gender equality!

TODD  
Wait...what if a man accidentally takes the pill, thinking it's another pill, and accidentally gets pregnant?

Todd and Mr. Peanutbutter stare at each other for a moment.
